Please Note:

Under COVID-19 regulations the Aftercare facility is not operating. It is therefore imperative that all pupils are collected **promptly** from the relevant collection points. Your co-operation will be greatly appreciated.

Procedure for drop-off and collection

- Parents are encouraged to remain in their cars for drop off and collection. I have had complaints that Laddsworth pupils are also gathering on the pavement outside their parent's cars while waiting for their siblings. This practice is causing much unnecessary congestion and is **not permitted**.
- I also appeal to parents to ensure that their children's school bags are kept on their laps when they are dropped off at school. This will reduce the time it is taking for children to exit the car. We hope this will alleviate traffic congestion, particularly in the mornings.
- I ask that patience, consideration for others and strict observance of safety protocols **must** be exercised at all times when collecting and delivering your child at school.

Kind regards
